**Subject:** Contact information

Hi Mark. I want to update you on my contact information. I am no longer with Eversource. I will continue to represent Merrimack, Newington, and Schiller stations on behalf of GSP, but I will do so as counsel at Balch. I will be physically located at Merrimack Station. So, I hope it will be a fairly seamless transition.

My new email address will be [llandis@balch.com](mailto:llandis@balch.com) and my phone number will be 205-226-3454-- BUT not functional until next week.

In the meantime, please continue to use my cellphone (603-344-2354) and this email. I also can access my Eversource emails for another week.

A lot of changes but all good ones, and the internal team remains intact. Linda
